# Buro Product Stewardship Programme.

We encourage repurposing and recycling of pre-loved office furniture to reduce our impact on the environment. When a customer has Buro furniture<sup>\*</sup> that they wish to dispose of, we apply the following steps to determine the most appropriate method.

<sup>\*</sup>Qualifying furniture must be Buro branded product (Buro Seating, Konfurb, Mondo), or a partner exclusive brand. <sup>^</sup>Many of our products are GREENGUARD certified for safe emission levels. This reduces the environmental impact when sending any components to landfill.
