

LEVI LOUNGE

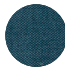

FEATURES

With a large range of modular pieces, the possibilities are endless with the Levi Lounge. Consisting of any number of different shapes, the sectional lounge can be arranged into practically any desired shape to suit your space and functionality.

The Levi Lounge is constructed with a heavy duty steel frame, with moulded injection foam for desired comfort. This will suit waiting areas, break out spaces and collaborative zones.

SEAT AND BACK COLOURS:

	Teal Back		Blue Seat
or			
	Grey Back		Charcoal Seat

SEAT ONLY COLOURS:

	Grey Back		Charcoal Seat		Blue Seat
---	-----------	---	---------------	---	-----------

The Levi Lounge is also available for custom upholstery, allowing customers to personalise each piece to suit their unique preferences.
